**Guests:** \_\_\_\_\_

**Hosts:** \_\_\_\_\_

Here are a few guidelines for prayer for this weekend:

### **Practical:**

- Strong and uninterrupted **internet** connection. Smooth flowing of the **Zoom** platform.
- **Health** of the hosts and guests.

### **Transforming power of God:**

- God would **move in power in the hearts** and lives of the leaders and attendees this Friday and Saturday evenings.
- For a strong sense of The Holy Spirit and His **restoring power**, as well as, God ordained divine moments.
- **Change priorities** overnight, change desire to be aligned with Gods.

### **Experience of God:**

- That the weekend will be a '**taste-and-see**' moment for all. A true experience of God that catalyses a relationship with Him.
- Pray for each guest & host to be **filled with The Holy Spirit**, bless them with The Holy Spirit. That they would encounter Jesus and his love in a real way. Igniting gifts in their lives.

### **Catalyst for faith:**

- Build in each guest, a strong impenetrable **relationship with God**, as a Father, as a Friend, as Nurturer and Comforter. (Father, Son & Holy Spirit)
- Pray that the guests will come away with an overwhelming sense of **love, a deep sense of peace, joy & happiness**. That they know, without a doubt that they are truly & deeply loved by God Almighty - that they are His Beloved.

### **Guests personal experience:**

- For the guests not to feel 'left out' or nervous, for God to **remove anxiety and fear**.
- God would **break down preconceived ideas** of The Holy Spirits and he would move uniquely in each guest.
- **Break down defenses**, walls, barriers, take wild thoughts captive - settle them squarely in God's Presence.
- An anticipation in the guests and the hosts hearts, an **openness** and surrendered-ness to receive what He has for them.
